02 Box-by-Box Protocol for 6 Core Department of Home Affairs Official Forms

Official Form	When Required	2026 Completion Rules & Legislative Reforms	Fatal DIY Refusal Trap
Form 80 Character & History	PR, Partner & Long-Stay Visas	Declare **10 continuous years** (or since age 16) of addresses, travel, jobs, and **unemployment/study breaks** with zero chronological gaps (use Part T overflow). AFP Police Checks MUST use **Code 33 Complete Disclosure**.	Leaving 1–2 month gaps triggers s 56 queries or PIC 4020 concealment allegations.
Form 888 Partner Witness	820/801 · 309/100 · 300	**Reform:** No longer a Statutory Declaration · **no JP or lawyer witnessing needed.** Witness details firsthand observations of financial, household, social & commitment pillars and signs directly.	Invalid unless accompanied by witness **photo ID + proof of AU citizenship or PR**.
Form 1229 Child Visa Consent	Minor child with non-migrating parent	Signed by every person with parental responsibility not migrating. Attach **signed government photo ID** matching the signature on Form 1229 (or sole-parental-responsibility Court Orders).	Unsigned ID cards or mismatched signatures trigger fraud verification delays.
Form 956A / 956 Recipient vs Lawyer	Correspondence vs Legal Representation	Use **Form 956A** if nominating a relative/friend solely to receive emails. **Form 956** is restricted to Australian Legal Practitioners and MARA agents.	Unlicensed immigration assistance breaches Migration Act s 280.
Form 1022 / 1023 Changes vs Errors	Post-lodgement (s 104) / Prior error (s 105)	Use **Form 1022** for new post-lodgement events (marriage, separation, birth, new passport); use **Form 1023** to correct prior mistakes before decision.	Undisclosed errors risk s 109 visa cancellation even after grant.

Official Form	When Required	2026 Completion Rules & Legislative Reforms	Fatal DIY Refusal Trap
Form 1447 8503 Waiver	No Further Stay Condition 8503	Must prove **compelling & compassionate circumstances** arising **after grant** beyond your control causing a major change (marriage alone is insufficient).	**Does NOT grant a Bridging Visa.** Lodge at least 4 weeks before visa expiry.
